*"Dear friends at Escalon CRC, Thank you for your generosity! Your support makes a big difference. We've come through a difficult year - but with your support, we've accomplished a lot together. You, your church, and your Resonate ministry leaders are responding to Jesus' call to mission in Acts 1:8. Thank you for partnering with us on this mission! 'Jerusalem, and in all Judea and Samaria, and to the ends of the earth' might seem like a tall order, but your partnership helps encourage and equip Christians around the world to live and share the gospel! Ministry leaders depend on you - you walk alongside them, pray for them, and support them through your giving. As we begin 2022, we remember that we are working toward the day when every tongue will confess Jesus Christ as Lord! Around the world, your missionaries and church planters are encountering people who are searching for meaning and goodness during difficult times. Through your support for Resonate, you help introduce them to the true source of meaning and goodness! May God bless your church in this new year. Thank you for all that you do!"*
