I Timothy 5

But if a widow has children or grandchildren, they should care for their own family and so repay their parents and grandparents, for this is pleasing to God.

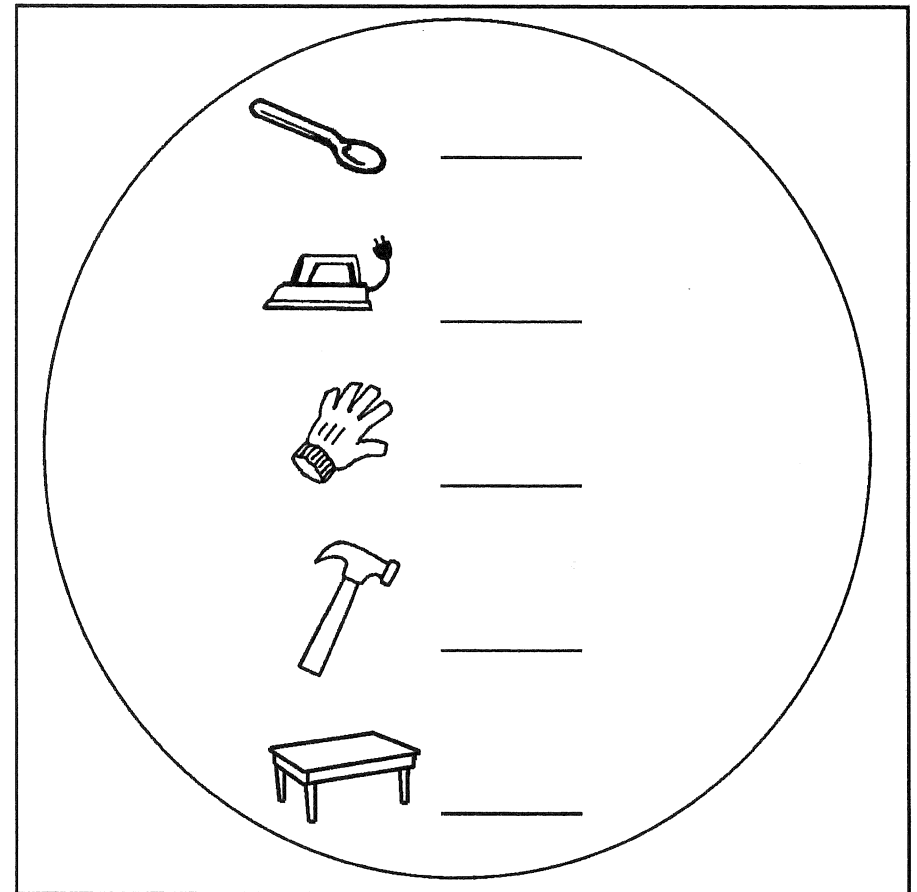

Connect the dots from A to Z.

If any woman has widows in her care, she should continue to help them, so that the church can help those widows who are really in need.

Write the first letter of each picture. Then read the letters from top to bottom and write the word on the line below.

I charge you, in the _____ of God and Christ Jesus and the angels, to keep these instructions fairly.
